

EMPLOYEE QUESTIONNAIRE

Questions

Yes

No

1. Are you aware of any items and services obtained by the hospital from a physician (directly or indirectly) that exceed the hospital's actual needs (apart from generating referrals)? If so, please describe.
2. Are you aware of any items or services for which the hospital pays compensation to a physician (directly or indirectly) in excess of fair market value in an arm's-length transaction or in excess of the contracted amounts? If so, please describe.
3. Do any of the duties of your employment benefit any physician in the conduct of his/her private practice? If so, please describe.
4. Are you aware of any arrangements allowing physicians to use hospital outpatient space, equipment, or personnel to conduct their private practice without paying the hospital compensation equal to the fair market value of such items or services? If so, please describe.
5. Are you aware of any recruitment arrangements providing benefits to attract a qualified physician or other health care professional to the particular community? If so, please describe.
6. Are you aware of any arrangements in which the hospital subsidizes malpractice insurance premiums for physicians in private practice? If so, please describe.
